Indigenous technology and National science day

REPORT OF NATIONAL SCIENCE DAY CELEBRATION 2024

Under the guidance of Principal Patna Science College and IQAC Head, H.O.D, Botany, Patna Science College, Department of Botany, PSC has organized the NATIONAL SCIENCE DAY celebration on 23rd, 27th and 28th February 2024 under different categories. More than 150 students participated in these activities during the program.

On First day it was extempore presentation by students on given topic, second day a lecture session is conducted on the topic " INDIGENOUS TECHNOLOGIES FOR VIKSIT BHARAT" and on 3rd day there was a poster and model competition. The results of the winners for 1st, 2nd and 3rd day events are announced. Later the certificates and medals have been awarded to the participants & winners by the respected Principal PSC in a prize distribution programme.
